Professional Summary

MCA graduate with hands-on experience in full-stack web development. Passionate about building user-friendly applications and eager to further develop skills in a real-world tech environment.

Education

Master of Computer Applications, Patna University Grade: 9.02 CGPA	2022 – 2024
Bachelor of Computer Applications, Patna Women's College Grade: 80%	2017 – 2020

Projects

MealBook, Recipe app [🔗](#) Feb 2024 – May 2024

- Tools Used - **Frontend:** HTML, CSS, JavaScript | **Backend:** Node.js | **Database:** MySQL
- Developed **MealBook**, a recipe web app for browsing, saving recipes, and creating weekly meal plans with a shopping list.
- Integrated an external **API** to fetch recipes, each displaying details such as recipe name, ingredients, meal type, cooking time, and more.
- Implemented **JWT-based user authentication** (signup, login, password recovery) to ensure secure access and protect user data.
- Built a **Save Recipe** feature enabling users to bookmark their favorite recipes for future reference.
- Designed a **Meal Planning** module where users can create weekly plans and automatically generate a corresponding **shopping list**.

Professional Experience

Java Internship Trainee, BELTRON Sep 2019 – Nov 2019 | Patna, India

- Collaborated with a team of 2 members to develop an **Examination Management System** software using **Java** for the application and **SQL** for the backend database.
- Developed the **student panel**, allowing users to log in, generate admit cards, take online exams, and view/download marksheets and certificates.
- Designed the **exam interface** with admin-configured questions, multiple-choice options and a side panel displaying a countdown timer and a color-coded tracker for attempted/unattempted questions
- Delivered the project on time, demonstrating strong **teamwork** and **problem-solving** skills.

Skills

Technical Skills — Languages: Java, JavaScript, HTML, CSS, SQL | Frameworks: React.js, Node.js | Tools: Git, GitHub, Postman, REST APIs, Google Cloud

Soft Skills — Teamwork, Adaptability, Self-motivated, Work ethic, Attention to detail

Certificates
